PROFESSIONAL SUMMARY

I am an experienced Front End Developer with over 3 years of experience in the web development field. I have a strong technical background in HTML, CSS, JavaScript and other related technologies. I have extensive experience in developing user interfaces for web applications and creating visually appealing websites. My greatest strengths include problem-solving, creativity, attention to detail and excellent interpersonal communication skills. I have successfully implemented various projects for clients in the past such as building custom dashboards for web applications and designing intuitive user interfaces.

EXPERIENCE

Intern At

2023 - 2023

TechoHacksEdutech, India, Mumbai

- During my internship at TechoHacksEdutech, I had the opportunity to gain hands-on experience in the field of educational technology. Working closely with the team, I was able to apply my knowledge and skills to assist in developing innovative solutions for online learning platforms.
